

## PANORAMA RIDE

panoRama Ride is a premium vinyl film specifically designed for short-term advertising applications. Thanks to its innovative air channel and adhesive technology, it can be applied quickly and without bubbles.

Removal is just as easy: the film can be taken off without leaving any residue or damaging the surface. With its excellent dimensional stability, panoRama Ride is perfectly suited for bus and train advertising. It delivers maximum flexibility, easy handling, and reliable performance – easy and fast.

### Durability

Up to 3–6 months of warranty when used in a Central European climate.

### Printing method

Solvent, eco-solvent, UV curable inks, screen printing and latex inks.

### Shelf life

1 year, stored at +15 to +20° C (59°F to 68°F) and relative humidity between 20% and 70%. During use, optimal conditions are between +5°C to +40°C (+41°F to +104°F) and relative humidity between 30% and 70%.

### Warranty

Continental Grafix products are warranted to be free of defects in material and manufacture at the time of shipment and to meet the specifications stated in the technical specification sheets. We will replace or refund the price of any Continental Grafix materials found to not meet our product specifications. In no event shall Continental Grafix be liable for any direct, indirect, or consequential damages, including labor or costs related to non-Continental Grafix materials. The determination of suitability of this product for any specific use is solely the responsibility of the user. No representations, guarantees or warranties of any kind are made to the accuracy of suitability for specific applications.

### Uses

- Bus wrapping
- Train wrapping
- Vehicle body wrapping
- Flat and slightly curved surfaces, maximum 2D applications  
(We recommend testing the surface in advance with a sample.)

### Features & Benefit

- Dimensionally stable
- Easy handling during installation and removal
- Residue-free removal for up to 6 months
- Excellent printability
- Outstanding dimensional stability
- Clean removability without residues

Technical informationen

panoRama Ride

Size	Width: 1.372 m    Length: 25.00m, 50.00m	
Material	High-quality self-adhesive PVC vinyl film with a white, printable front side and integrated air channel technology for simplified, bubble-free dry application.	65µ +/- 10µ
Adhesive	Removable, semi-permanent, gray specialty adhesive	
Liner	Siliconized paper liner	145g +/- 10µ
Certificate	Flammability	
Application	Minimum application temperature	+10°C bis zu +30°C (+50°F bis +86°F)
	Minimum service range temperature	- 17°C bis +50 °C (+0°F bis +122°F)

Technical information

panoRama Ride Laminate

Size	Width: 1.372 m    Length: 25.00m, 50.00m	
Material	Vinyl laminate Lamination method: cold	85µ +/- 10µ
Adhesive	Clear permanent solvent-based acrylic adhesive	
Liner	Matte polyester liner	55 µ +/- 10µ
Application	Minimum application temperature	+10°C bis zu +30°C (+50°F bis +86°F)
	Minimum service range temperature	- 17°C bis +50 °C (+0°F bis +122°F)
